**DENOMINATION OF ORIGIN:** Getariako Txakolina

**VINEYARD:** The winery's own 17 ha. vineyard is located in the surroundings of the winery itself, at the foothills of Jaizkibel Mountain. It is oriented towards the mid-day sun which protects it from the wind and damp of the nearby Cantabrian sea, thereby enjoying excellent sunshine. Trellis grown vineyard using double Guyot training system. Plantation layout: 2,60 x 0,90 (4200 strains/hectare). Soil with a thick bedrock layer and clayish marly.

**PROCESS:** The grape is grown on the Hondarrabi Beltza vineyard plots, and it is picked and transported in small crates. Once the harvest is destemmed and crushed, it is fermented in stainless steel. After fermentation, the wine is transferred to barrels for malolactic fermentation. It remains in the barrels on its lees for 6 months until bottled. French oak barrels are used to preserve the fruit longer in the wine.

**VINTAGE 2020:** A vintage which arrived a week ahead of the usual dates. A very dry year in comparison to the previous, yet with sufficient rain when most required, particularly after ripening onset, thereby achieving good maturation. Flowering was excellent and the grape set extremely well. As a result, we have an excellent 2020 vintage in terms of quality and quantity.

**TASTING NOTES:** Picota cherry colour with rich aromas of red and black fruits where strawberry and blackcurrant stand out over a balsamic background and fine vegetal notes. Very fresh on the palate with a balanced acidity, good passage through mouth and a long finish with abundant aromatic varieties.

**FOOD PAIRING:** Mild and semi-cured cheeses, cured meats, white meats and pulse stew. Serving temperature: 15-17°C. Store in a cool dark place free from strange smells. Ready to drink now and with good evolution in bottle for up to 2 years.
